Principal: **Mrs NOOR MAHMUDAH MOHD-NOR LL.B(Hons), MCL (IIUM)**

Assalamualaikum dear Respected Parents,

Thank you for coming to the PTM on 10th of February 2018 & the next on 18 February 2018

There are some updates that we would like to share with Parents.

Do take note that there are recent developments & new information relevant for Islamic Studies.

For Islamic Studies

10 Cards set of Asma ul Husna

Each class has 10 different names from Asmaul Husna list specially prepared for AlNoor School syllabus.

We have prepared laminated cards of Asmaul husna and these are given to every student.

Each student is entrusted with a set of 10 cards.

These cards must be well looked after & to be returned to AlNoor School at the end of each session.

We hope parents can help with this since these cards are to be reused for the next session.

We have already informed the students that in case of any damage to card, £1 each card will be charged.

Thus for each set of 10 names given will cost £10, if they are all damaged or lost.

Discipline related matters

1. Homework Diary

Parents should regularly check their child's Homework Diary (for Islamic Studies) or Reading Diary (for QRS / Iqra) for any homework or message from the class teacher and sign it for confirmation. This is important to ensure continuous support from parents.

2. Class Timings

Student must come to the class on time i.e. 10:30 am.

Any student later than 10:30 am will be considered as late and will be issued with the warning slip unless Parents inform the teacher in advance with valid reason.

3. Attendance

Parents must inform the teacher about their child's absence in advance. At least a day before school.

Otherwise the student would be considered as an absent without permission.

4. Dropping off Area

Students MUST NOT be dropped off in front of the mosque

Please park your car safely & walk your child / children to the mosque.

We may monitor this and the students who are continuously dropped off in front of the mosque will also be issued with warning slips in not respecting school rules.

For your child wellbeing

Drinking Water bottle

Parents were gently reminded at each new session that students should bring their own drinking water

bottle.

If needed they can get small bottle of water from AlNoor School office for 50p donation

Thank you for your kind cooperation & continuous support to AlNoor. May Allah grants us with His blessings & mercy in working together for our children Islamic tarbiyyah InshaaAllah

Jazakumullah khayran kathira

Please feel free to visit www.alnoorschoolaberdeen.com for latest information and updates.

Cooperation from all respected parents is sincerely and deeply appreciated.

Kind regards,

Al Noor School Management
